

## Elementary School Language Programs in SFUSD 2010-2011

**Foreign Language in Elementary School (FLES)** — This program is designed for all students – they are not limited based on their language ability. Students receive their primary education in English with additional instruction (30-60 minutes per day, 3-5 days/week) in either Italian, Japanese, Spanish or Russian. The goal is to give students proficiency in English and competency in a second language.
